

Letter of Recommendation

To Whom It May Concern,

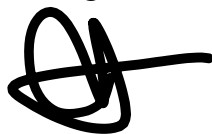

I am writing to highly recommend Judit Muraközy, who was a valued member of our team at H-Net Language Center from 2005 to 2015. During her time with us, she taught business English to C-level leaders. She also taught military English to officers and non-commissioned officers of the Hungarian Defence Forces and the Hungarian Ministry of Defence, in close cooperation with the UK Ministry of Defence. Judit also played a crucial role in conducting online language exams for international candidates applying for military positions in Afghanistan.

Her cheerful and motivating spirit made her highly popular among students, while her deep knowledge and teaching skills ensured their success. Her ability to engage and inspire even the busiest professionals made her a highly valuable asset to our team.

I wholeheartedly recommend Judit for any teaching or training role. She is a talented educator who brings energy, expertise, and a positive attitude to her work.

Please feel free to contact me if you have any questions about her time with us.

Best regards,
